Re: Support for the North Okanagan Knights [Division] Tournament

To our supporting businesses and community,

On behalf of the North Okanagan Knights [Division] team, I am reaching out to request support for our upcoming home tournament on [Tournament Dates].

This season, our [Division] group includes [number] teams with players from Armstrong, Enderby, Grindrod, Falkland, and surrounding communities. Funds raised at our home tournament help cover tournament fees and offset team expenses throughout the season.

We will be welcoming visiting teams from across the Okanagan and other regions of British Columbia. We expect approximately [number] players to participate, making it a busy and exciting weekend for young athletes and their families.

We are grateful for any form of support. Common contributions include:

- Gift cards or coupons for players, coaches, or managers
- Items for raffle baskets or silent auction tables
- Monetary donations to support tournament costs or raffle prizes

All contributors will be recognized in our tournament program and displayed on an appreciation board at the event. Your generosity helps create a memorable experience for our players and visiting families, and every contribution - big or small - makes a real difference.

If you can support our tournament, please contact us by [Deadline]. We would be happy to arrange pickup or answer any questions.

Thank you from the North Okanagan Knights [Division] team.

Sincerely,
